ASSOCIATION FOR THE ADMINISTRATION AND SETTLEMENT OF ESTATES.

STATEMENT.

DURING the long series of years that the Orphan Chamber Establishment administered intestate Estates, there prevailed with individuals generally but little concern as to leaving their Property, on decease, without Will, and thus placing it at once under the charge and administration of the Chamber.

When, however, Property was left under Will, and particular Guardians and Executors were thereby appointed, the actual administration and settlement of those Estates stood committed, in most cases, to a few certain men of business, selected by those Executors, as assumed Executors, and thus authorised by the Colonial Law to perform the trusts and offices of the Executors under the Will.

The recent abolition of the Orphan Chamber Jurisdiction having at once thrown the management of intestate Estates into a new channel of administration, has caused so great concussion and surprise in the Colony, at least among a certain portion of its inhabitants, as to have led to the formation of an Establishment by private Association, of which the following is the basis and general outline:

The Association is formed by a number of respectable Inhabitants, for the purpose of settling and administering, through the medium of its Committee, such testate, intestate, and other Estates as may be entrusted to its management by Will, or at the instance of such Persons as may be legally competent to transfer such actual administration and settlement of any such Estates to the Association.

The Association at present consists in a number of twenty-two Subscribers, who have selected a Secretary, a Book-keeper, as also five Subscribers to act as the Committee of Direction for the ensuing year; at the expiration of which, two of those Directors are to be relieved by two new Members, to be elected at a General Meeting.

As a Security against loss, the Subscribers have raised a Fund, by contribution, to the amount of £3250, to remain legally chargeable with, and to make good any possible loss or defalcation, however arising, to any Estate while under, and in consequence of being under the administration of the Association, under the principle upon which the Subscribers have raised the Joint Security Fund; should the Concerns and Business of the Association be found hereafter, from time to time, increasingly extensive, so as to require a larger amount as sufficient Security against loss, a certain portion of the *annual* dividend, to which the Subscribers respectively may become entitled, will be retained for, and applied to, the Security Fund.

The immediate Business and Concerns of the Association will be wholly conducted by and under the control and discretion of the Committee of Direction for the time being, subject only to such general Regulations and Instructions as are already and may hereafter be found expedient to be determined upon, at any General Meeting of the Subscribers of the Association.

Under its present constitution, the Association consists only as a Partnership House of Business, of which the Subscribers are the Partners, and the Committee of Direction become the acting Partners. Should the Business committed to the Association prove considerable, and its interest enlarge so as to evince its character and consideration with the inhabitants as a desirable and useful Establishment, a future application may be perhaps successfully submitted to the competent Authority for incorporation by a Charter.

The Association, by its Committee, is already prepared to take charge of such Estates for general Superintendance, Management, and Settlement, as may be delivered over and entrusted to the Association.

The Committee of Directors for the present year are

Mr. D. DENYSSEN, LL.D. President; Messrs. R. P. JONES, J. F. SERRURIER, J. J. L. SMUTS, and J. H. NEETHLING, LL.D. Members; Mr. J. DE WET, LL.D. Secretary; Mr. J. P. E. FAURE, Book-keeper.

MAATSCHAPPY VAN ADMINISTRATIE EN BOEDEL-BEREDDING.

GEDURENDE dien langen reeks van jaren, dat het Collegie van Weesmeesteren met het administreren van Boedels *ab intestato* is belast geweest, lieten er zich de Ingezetenen maar weinig aangelegen liggen, wanneer zy ook al zonder Testament kwamen te overlyden, omdat dan daardoor van zelf hunne Boedels onder het beheer van het Collegie van Heeren Weesmeesteren vervielen.

Wanneer het echter gebeurde dat men by testament over zyne bezittingen beschikte, en tevens private Executeuren en Voogden in hetzelve benoemd en aangesteld werden, geraakte het beheer en de beredding van zulke nalatenschappen, in de meeste gevallen, in handen van een zeker getal van personen die de nodige bekwaamheden bezaten,—door de Executeuren gewoonlyk werden geassumeerd, en zoo doende door de wetten deser Volkplanting magtig gemaakt de pligten van testamentaire Executeuren uit te oefenen.

De onlangs plaats gehad hebbende afschaffing van de Jurisdictie der Weeskamer, waardoor het bestieren van Boedels *ab intestato* eene nieuwe wyze van beredding onderhevig geworden is, heeft zulk een geweldigen schok en bevreemding in de Volkplanting, ten minste by een zeker gedeelte van derzelver Ingezetenen, veroorzaakt, dat men daardoor op het denkbeeld gekomen is, om een Etablissement door middel eener private Associatie op te rigten, waarvan het volgende de grondtrek is.

De Maatschappy is gevormd door een aantal van respectabele Ingezetenen, met het oogmerk om door middel van hare Commissie van Bestier waar te nemen en te beredden, zoodanige by testament of *ab intestato* nagelatene of andere Boedels, als aan haar bestier zullen mogen worden aanvertrouwd, het zy by testament, of op begeerte van zoodanige personen, als geregtigd zyn tot het overdragen van de werkelyke administratie en beredding van al zulke Boedels aan de Maatschappy.

De Maatschappy bestaat tegenwoordig uit een getal van twee en twintig Leden, die een Secretaris, een Boekhouder, alsmede vyf Leden tot eene Commissie van Directie voor een jaar hebben gekozen; aan het einde waarvan twee dezer Leden zullen aftreden, en vervangen worden door twee nieuwe daartoe in eene algemeene vergadering te verkiezene leden.

Tot een waarborg tegen verliezen, hebben de Leden te zamen gecontribueerd eene somma van £8250, [ofte *f*330,000,] welke verpand zullen worden voor, en waaraan men zal kunnen verhalen alle verliezen welke eenige boedel zonde kunnen lyden onder de administratie en door toedoen van de Maatschappy.

Op het beginsel waarop de Leden het Fonds van gezamenlyke waarborg hebben byeengebragt, indien het mogt gebeuren, dat de omslag en bezigheden van de Maatschappy hierna van tyd tot tyd aanmerkelyk aangroeiden, en zich zoodanig uitbreidden, dat er een grooter bedragen tot toereikende zekerheid voor schade vereischt mogte worden, zal een gedeelte van de jaarlyksche uitdeeling, waartoe ieder der leden in der tyd geregtigd mogte zyn, worden toegevoegd aan het Fonds der Maatschappy.

De zaken der Maatschappy worden bestierd en waargenomen door en onder het toevoorzigt van eene daartoe gekozen Commissie van Directeuren, die onderworpen zyn aan al zulke algemeene bepalingen en voorschriften, als thans reeds zyn, en hierna nog mogen worden noodig geoordeeld en vastgesteld in eene algemeene Vergadering van de Leden der Maatschappy.

Zoodanig als de Maatschappy thans is zamengesteld, moet dezelve beschouwd worden als eene Maatschappy tot het verrigten van bezigheden, waarvan de Leden de Deelgenoten uitmaken en de Commissie van de Directie de agerende Deelhebbers zyn.

Wanneer echter de bezigheden, welke aan de Maatschappy zullen worden toevertrouwd, zoo aanmerkelyk toenemen en de belangen daarmede verbonden zich zoo zeer uitbreiden, dat zy haar karakter en waarde by de Ingezetenen als een nuttig en gewigtig Etablissement mogte vestigen, zal men in der tyd met een goed gevolg by de bevoegde Autoriteiten kunnen aanzoek doen, om dezelve door middel van eene Ordonnantie in eene Universiteit of Corporatie te doen overgaan.

De Maatschappy bevindt zich reeds in staat, om onder het bestier van hare Commissie zich te belasten met de waarneming van de administratie en beredding van zoodanige Boedels als aan deselve zullen worden opgedragen.

De Commissie van Directie voor dit jaar zyn:

De Hr. Mr. *D. Denyssen*, President; de Heeren *R. P. Jones*, *J. F. Serrurier*, *J. J. L. Smuts*, en Mr. *J. H. Neethling*, Leden; De Hr. Mr. *J. de Wet*, Secretaris, en de Hr. *J. P. E. Faure*, Boekhouder.

CAPE OF GOOD HOPE AGRICULTURAL SOCIETY.

At an extraordinary Meeting of the Committee holden at the COMMERCIAL EXCHANGE, *this 22d day of May,* 1834.

THE Committee, on meeting, proceeded to take a *particular* and *close* inspection of 30 young Saxon Rams, brought for the purpose close to the Exchange, which have been imported into the Colony from the SAXON Flocks of ALEXANDER RELEY, Esq. at New South Wales, by GEO. ROBB, Esq. Master of the *Leda* Barque, now lately arrived therefrom in Table Bay. The Sheep proved to be in exceellent health and condition.

The Committee after inspection of the Sheep,

RESOLVED,

That the Members of the Committee now present having inspected the Sheep, and examined the Vouchers and Documents produced to this Meeting by Capt. ROBB, of the Barque *Leda*, are unanimously of opinion, that the Samples of Saxon Wool produced and duly verified as taken, as well those actually taken on the spot from the animals evince, beyond all doubt, that the Sheep now imported are, *taken in the whole,* of greatly superior quality to any Sheep that have been before introduced into this part of the Colony, and possess that purity of the Saxon Breed to which belongs every attribute of its finest Wools,—that is, combining weight and softness, with strength and elasticity of staple, and closeness of pile.

RESOLVED,

That this Meeting would, therefore, on public grounds, recommend, that the Sale of the Sheep should be per head, at public Auction, duly announced by Advertisement, so as thus to give the opportunity to the greatest number of Purchasers, who may in discretion, and from a due regard to their own interest, seek to acquire the so certain means of improving their Sheep property.

RESOLVED,

That the Committee consider Capt. ROBB entitled to the grateful acknowledgments of the Colony, for having imported so valuable a supply of Sheep; and trust, that the public spirit which has influenced him on this occasion, and under which Capt. ROBB has declared his readiness and intention to make a future much larger importation of Sheep, will meet the fullest encouragement from a ready and liberal Market.

RESOLVED,

That the Committee having had its attention called also to the introduction of "Cachmere Angora" Goat into the Colony of New South Wales, and read several extracts pointed out by Capt. ROBB, from an interesting publication on the subject, edited by A. RELEY, Esq. of Raby, in that Colony, is fully satisfied, that it would prove highly serviceable to the interest of our Colonial Stockholders, and worthy therefore of consideration with the Society, that "Cachmere Angora" Goat should as soon as a favorable opportunity for the purpose may occur, be imported into and bred within the Colony.

Some fine Samples of the Goat Wool, and the Publication in question, were presented by Capt. ROBB to the Committee, and delivered over in charge to the Secretary.

A very fine Specimen also of Silk, collected and manufactured in New South Wales, was produced by Mr. CHASE, and was left also with the Secretary for a future more close examination and report

LANDBOUWKUNDIG GENOOTSCHAP AAN DE KAAP DE GOEDE HOOP.

IN eene buitengewone Byeenkomst van het Committee, gehouden in de Beurs dezen 23sten dag van Mei 1834.

By de byeenkomst van het Committee, ging hetzelve over om eene *byzondere* en *naauwkeurige* inspectie te nemen van 30 jonge Saksische Rammen, tot dat einde by de Beurs gebragt, welke in deze Kolonie zyn ingevoerd van de Saksische Kudden van den Hr. ALEXANDER RELEY, te Nieuw Zuid Wales, door den Hr. GEO. ROBB, Schipper van de Bark *Leda*, onlangs van daar in de Tafelbaai aangekomen. De Schapen bleken in de beste gezondheid en toestand te zyn.

Het Committee, na de Schapen te hebben bezigtigd,

BESLOOT,

Dat de Leden van het Committee nu tegenwoordig, de Schapen hebbende bezigtigd en de bewyzen en documenten onderzocht, door Kapt. ROBB, van de Bark *Leda*, aan deze Byeenkomst vertoond, eenparig van gevoelen zyn dat de monsters van Saksische Wol vertoond en behoorlyk geverificeerd als genomen, zoo wel als die welke werkelyk op de plaats van de Dieren zyn genomen, buiten allen twyfel bewyzen, dat de Schapen thans ingevoerd, *over het algemeen genomen*, van veel beter kwaliteit zyn dan eenige Schapen die te voren in dit gedeelte der Kolonie zyn ingevoerd, en die zuiverheid van het Saksische ras bezitten waaraan iedere eigenschap van de fynste wol behoort,—dat is—vereenigende gewigt en zachtheid, met sterkte, buigzaamheid en fynheid van draad.

BESLOTEN,

Dat deze Byeenkomst, derhalve, tot algemeen nut, aanbeveelt, dat de verkooping der Schapen per stuk by publieke Vendutie plaats hebbe, behoorlyk by Advertentie bekend gesteld, om dus aan het grootste gedeelte der Koopers, die volgens discretie en met behoorlyke achtgeving op hun eigen interest de zoo zekere middelen van hun eigendom in Schapen wenschen te verbeteren, daartoe de gelegenheid te verschaffen.

BESLOTEN,

Dat het Committee beschouwt, dat Kapt. ROBB geregtigd is tot de dankbare erkentenis van de Kolonie, voor het invoeren van zulk een kostbaren voorraad van Schapen; en vertrouwt, dat de publieke geest welke hem by deze gelegenheid heeft bezield, en onder welke Kapt. ROBB heeft verklaard bereid en voornemens te zyn in het vervolg een veel grooter invoer van Schapen te doen, de volkomenste aanmoediging van eene gerede en gunstige Markt zal aantreffen.

BESLOTEN,

Dat de aandacht van het Committee mede zynde gerigt geworden op den invoer van de Cachmere Angora Geit in de Kolonie van Nieuw Zuid Wales, en gelezen hebbende verscheidene extracten, door Kapt. ROBB aan het Committee aangeduid in eene belangryke uitgave over dit onderwerp, geredigeerd door den Heer A. RELEY, van Raby, in die Kolonie, volkomen overtuigd, is dat het ten hoogste voordeelig zoude zyn voor het belang van onze Koloniale Veefokkers, en derhalve de overweging van het Genootschap waardig, dat de Cachmere Angora Geit, zoodra zich eene gunstige gelegenheid tot dat einde opdoet, in deze Kolonie worde ingevoerd en aangeteeld.

Eenige fyne monsters van de Wol van gem. Geit en het bovengem. Werk werden door Kapt. ROBB aan het Committee gepresenteerd, en ter bewaring aan den Secretaris overgeleverd.

Een zeer fyn monster van Zyde, verzameld en gefabriceerd in Nieuw Zuid Wales, werd door den Hr. CHASE mede aan het Committee vertoond, en werd insgelyks aan den Secretaris ter hand gesteld voor een volgend naauwkeuriger onderzoek en verslag.

LANDED PROPERTY.

FOR PRIVATE SALE,
The Landed Property of the late
Mr. W. F. VENABLES.

1. TWO ERFS at Green-point, near the Old Society House.

2d. A spacious STORE, with an enclosed Yard, and a small Dwelling House attached, at the top of Strand-street,- built for a Cooperage, and well adapted for that branch of business.

3d. The HOPE MILL, better known as the "HAAS EN KOESTER," formerly the Property of Mr. KIRSTEN, near the Salt River. The Buildings upon this Estate, in addition to the Mill, comprise a commodious Dwelling House, with suitable Out-offices, a large Store with Solder, Coach-house and Stabling; a detached Cottage, at present rented at Rds. 60 per Month, &c.

This Place is rendered valuable from its contiguity to the main road to the Interior, and its convenient distance from Town.

4th. The quit-rent Place GRIET's GAT, upon which stands a House and Store, situated between Sir Lowry's Pass and the Palmiet River, near the main road, about eighty morgen in extent. The Blacksmiths' and Wagonmakers' Trades have been successfully followed at this Place.—The soil is varied and generally good, and the supply of water always abundant.

5th. The PALMIET ESTATE.—This Property is well known for the facilities it offers as a Mercantile Establishment. The House and Stores are spacious, substantial, and in good repair.—Detached is a neat Cottage, with Fruit and Vegetable Garden, and about 17 morgen of arable and pasture Land, the greater part capable of irrigation all the year round.—A very trifling out-lay would render the Cottage desirable as a Lodging House.

Part of the Purchase Money of all the above Properties may remain at interest for some years, upon approved security,—and further particulars known on application to W. GADNEY, *q.q.* St. George's-street.

In the Estate of GEORGE ADAM SCHELDER, *of Voigtland, on the Borders of Bohemia, deceased.*

WITH reference to the Publication in the *Government Gazette* and *Zuid-Afrikaan* of Friday last, the 30th ultimo, and in pursuance of the 30th Section of Ordinance No. 104, the Creditors of, and all others having Claims against the Deceased, or his Estate, are hereby called upon to lodge the same with the second Undersigned, (and not with the Registrar of the Supreme Court,) within the ensuing three months, subsequently to the publication of these presents.

THE Undersigned, JOHANNES GYSBERTUS FAURE, as Administrator of Sales, having entered into Partnership with Mr. PIETER KORSTEN, Notice is hereby given to the Public, that the Business of his Vendue Office will, from and after the 1st day of July next, be carried on in the Name of FAURE & KORSTEN.

Vendue Office, Stellenbosch, 16th June, 1834. J. G. FAURE.

PUBLIC NOTICE.

THE Undersigned having deemed it expedient, under existing circumstances, to resign his Situation as Clerk to the Resident Magistrate of Stellenbosch, begs leave to inform his Friends, and the Public, that it is now his intention to devote his time, exclusive of the Partnership carried on between him and Mr. JOHANNES GYSBERTUS FAURE, more particularly to his Notarial Practice, and also the transaction of all business connected with Agent, Executor, Trustee, and the like, with which the Public may honor him. He flatters himself that an experience of now upwards of six years acquired in the Circuit and Magistrate's Courts, will qualify him for the due management of all such cases as may be entrusted to him in any of the above-mentioned capacities.

All orders will be executed in the best and most speedy manner; and those who may be pleased to entrust their interest to his care, can depend upon the strictest attention being paid to them, and any security required will be given.

Stellenbosch, 16th June, 1834. P. KORSTEN.

THE Undersigned begs to inform his Friends and the Public, that he has Agents in all the Districts of the Colony, and they can therefore apply to them, relative to all transactions which they may entrust to him, particularly for executing Powers of Attorney, to authorise him to make and receive Transfers of their Places, Lands, &c. at the Registrar's Office, Cape Town; hoping thereby to be enabled to transact their business better, and to prevent many mistakes, and useless expense.

Commissariat Department,
CIRCULAR, No. 181.

TREASURY CHAMBERS,
28th February, 1834.

SIR,

The Lords Commissioners of His Majesty's Treasury having directed an examination to be made at His Majesty's Mint, of the Weight and Fineness of the several Coins of the South American States, with the view of enabling their Lordships to form an accurate judgment as to the propriety of employing them, in common with the old Spanish Monies of similar denominations, for the supply of the Military Chests abroad, and of taking such further steps as may appear to be necessary for facilitating their free circulatian in such of the British Colonies or Foreign Military Stations in which they might be used with advantage to the Community, and convenience to the public service;—I am now commanded to acquaint you that their Lordships have received from the Officers of His Majesty's Mint a Report, with accompanying Tables, shewing the result of the examination, from which it appears that the new South American Dollars are (with the exception of one of the three Rio Plate Dollars tried) in every respect as valuable as, or rather better in weight and fineness than, the Dollars coined in Mexico before the separation of that country from Spain, which latter are commonly known under the name of Pillared Dollars.

My Lords have therefore requested the Secretary of State to cause the same to be communicated to the respective Governors of His Majesty's Colonies, with a direction to them to take the necessary steps for having the result of the Mint's examination of the new South American Dollars publicly announced to the Inhabitants of the Colonies; and in cases where any difficulty has been experienced in the free circulation of that description of Coin, to accompany such announcement with a Proclamation, declaring that the several kinds of South American Dollars described in the Report, will, in future, be received and issued on the part of the Government Agents and Authorities at the same rate as the old Pillared Dollars.

My Lords have also requested that the Report of the Mint Officers may likewise be communicated to the several British Consuls abroad, with a view to their taking such steps thereupon as may appear to be most advisable, for removing any prejudice that may exist against the employment of the Coins in question at the places in which they may be stationed.

In furtherance of their Lordships' intentions in this respect, I am commanded to transmit for your information and guidance, copies of the said Report and accompanying Inclosures, marked 1, 2, and 3; and I am to desire that you will in future receive in the negotiation of Bills and otherwise, and in all Payments to the Army and Navy issue, those Coins, being genuine and in good condition, indiscriminately with other Foreign Coins, at the same rate as has been fixed upon the old Spanish Pillared Dollars,

I am, SIR,
Your obedient Servant,
(Signed,) J. STEWART.

Commissariaat Departement,
Circulaire No. 181.

THESAURIE KAMER,
28 February 1834.

MYNHEER!—De Lords Commissarissen van Zyner Majesteits Thesaurie bevolen hebbende een onderzoek te doen in Zyner Majesteits Munt, naar het gewigt en het gehalte van de onderscheidene Muntspecien van de Zuid-Amerikaansche Staten, met inzigt om Hunne Lordschappen in staat te stellen een naauwkeurig oordeel te vormen over de gepastheid om dezelve in het gemeen met de oude Spaansche Munten van dergelyke benaming, tot aanvulling van de Militaire Kassen buitenslands, te gebruiken, en om zoodanige verdere stappen te nemen als noodig zullen voorkomen tot het faciliteren van derzelver vrye roulance in zoodanige Britsche Kolonien of buitenlandsche Militaire Statien waarin dezelve met voordeel voor het Algemeen en gemak voor de publieke dienst kunnen worden gebruikt;—ben ik nu gelast u te verwittigen, dat Hunne Lordschappen van de Ambtenaren van Zyner Majesteits Munt een Rapport hebben ontvangen, met daarby gevoegde Tafels, toonende den uitslag van het onderzoek, waaruit het blykt dat de nieuwe Zuid-Amerikaansche Daalders (met uitzondering van een der drie geëssayeerde Rio Plata Daalders) in allen opzigte zoo veel waardig zyn, of eerder beter in gewigt en gehalte dan de Daalders gemunt in Mexico voor de afscheiding van dat land van Spanje, welke laatste gewoonlyk bekend zyn onder den naam van Pilaar Daalders.

My Lords hebben derhalve den Secretaris van Staat verzocht zulks aan de respective Gouverneurs van Zyner Majesteits Kolonien te doen mededeelen, met directie aan hen tot het nemen van de noodige stappen om den uitslag van het onderzoek van de Munt nopens de nieuwe Zuid-Amerikaansche Daalders publiek aan de Ingezetenen der Kolonien bekend te maken; en in gevallen waar eenige zwarigheid wordt ontmoet in de vrye roulance van die soort Munt, zoodanige bekendmaking vergezeld te doen gaan van eene Proclamatie, verklarende dat de onderscheidene soorten van Zuid-Amerikaansche Daalders beschreven in het Rapport, in het vervolg door de Gouvernements Agenten en Autoriteiten tegen denzelfden koers zullen worden uitgegeven en aangenomen als de oude Pilaar Daalders.

My Lords hebben mede verzocht, dat het Rapport van de Ambtenaren van de Munt insgelyks worde medegedeeld aan de onderscheidene Britsche Consuls buitenslands, ten einde zoodanige stappen deswegens door hen kunnen worden genomen, als het raadzaamst zullen voorkomen om eenig vooroordeel dat tegen het gebruik der bedoelde Muntspecien moge bestaan op de plaatsen waar zy zich zullen bevinden, uit den weg te ruimen.

Tot bevordering der oogmerken van Hunne Lordschappen in dit opzigt, ben ik gelast ter uwer informatie en leiding over te zenden, kopyen van het gem. Rapport en de daarby ingesloten Tafels, (gemerkt 1, 2 en 3); en ik moet u verzoeken, om in het vervolg die Muntspecien, zynde echt en in goede conditie, zonder onderscheid met andere vreemde Munten, in de negotiatie van Wissels en anderzins aan te nemen, en in alle betalingen aan de Armee en Marine uit te geven, tegen denzelfden koers als bepaald is op de oude Spaansche Pilaar Daalders.

Ik ben, Myn Heer,
Uw onderdanige Dienaar,
(Get.) J. STEWART.

Treasury, transmitted thro' the Right Hon. Lord Auckland, Master and Worker.

The object of the Table is to enable Government to form a correct estimate of the value of South American Dollars, as a supply for the Military Chests of the Colonies, which have hitherto been supplied by the old Spanish Dollar. In pursuance of this object, the Coins have been weighed and assayed individually, which, although it lengthens the examination, will not only yield a correct average value of the Coins, but enable also a correct opinion to be formed of the skill and accuracy with which the respective Coins of the several States have been fabricated.

The Lords Commissioners of His Majesty's Treasury having expressed great desire for the *earliest* information upon the subject, the Table of Silver Coins has not been made so comprehensive as a greater length of time would have allowed, by enabling a larger collection of Coins to be procured, and examined; still, as it includes Coins from every State in South America,* it is hoped that it may answer the purpose immediately required.

A Table of Gold Doubloons will be formed as soon as a sufficient number can be collected for the purpose.

* The Brazilian Silver Coins are chiefly pieces from other States re-stamped.

steits Thesaurie, en ingezonden door den Hoog-Ed. Lord Auckland, Meester en Werker.

Het oogmerk der Tafel is om het Gouvernement in staat te stellen eene naauwkeurige berekening te maken van de waarde van Zuid-Amerikaansche Daalders, als eene aanvulling voor de Militaire Kassen van de Kolonien, welke tot nog toe door de oude Spaansche Daalder zyn gesuppleerd. Ingevolge dit oogmerk, zyn de Muntspecien ieder op zich zelve gewogen en geëssaijeerd, hetwelk, schoon het het onderzoek verlengt, niet alleen eene naauwkeurige gemiddelde waarde der Muntspecien zal opleveren, maar tevens in staat stellen eene naauwkeurige opinie te formeren van de kunde en juistheid met welke de respective Muntspecien van de onderscheidene Staten zyn opgemaakt.

De Lords Commissarissen van Zyner Majesteits Thesaurie groot verlangen aan den dag hebbende gelegd om de spoedigste informatie over dit onderwerp, is de Tafel van zilveren Muntspecien niet zoo uitgebreid gemaakt als eene grootere lengte van tyd zou hebben toegelaten, door eene grootere verzameling van Muntspecien te kunnen aanschaffen en onderzoeken; daar dezelve nogtans Muntspecien van iederen Staat in Zuid-Amerika (*) bevat, hoopt men dat zulks aan het onmiddelyk vereischte oogmerk zal beantwoorden.

Eene Tafel van gouden Doubloons zal worden opgemaakt zoodra men een voldoend getal tot dat oogmerk kan verzamelen.

(*) De Braziliaansche zilveren Muntspecien zyn meest stukken van andere Staten op nieuw gestempeld.

SALE OF SAXONY SHEEP.

THE Stock Fund Committee have the pleasure to inform the Inhabitants of this Colony, that they will sell, without reserve, on the Parade, in front of the Commercial Exchange, on SATURDAY, the 16th August, at 12 o'Clock precisely, the whole of the Saxon Sheep recently imported from Saxony. The Flock consists of 19 Ewes and 7 Rams, of the Paunsdorf Flock; 15 Ewes and 3 Rams, of the Zwentrau Flock; and 6 Ewes of the Ploussig Flock.

The Committee can confidently recommend these Sheep to the attention of those Sheep Owners, who are desirous of improving the blood of their Flocks, as they have been selected with great care and at very considerable expense from the above celebrated Flocks, with no view of profit, but solely of improving the Colonial Fleeses; to this end, therefore, they have thought it advisable to introduce the large proportion of 40 Ewes, all of which the Committee understand to have been tupped.

The Sheep are all two years old.

Samples of the Wool will be sent to the Editor of the *Graham's Town Journal,* to be laid in his Office for inspection, and may also be seen at the Office of the Undersigned.

II. When the Person authorized and appointed to prosecute at the Public Instance in the said Court, shall make any Complaint or Charge against any Person for any alleged Crime or Offence within the Jurisdiction of the said Court, or when any private Person shall make any such Complaint or Charge for any such Crime or Offence, by which he alleges he has suffered Injury,—the Clerk of the Court shall forthwith enter in the proper columns of the said Record Book, the Party, at whose instance the Complaint or Charge is preferred, and when preferred by a private Party, his Name and description,—and the crime or offence charged or complained of by its legal destructive appellation; or if it have no such appellation, then by such description thereof as to shew that it is one punishable by Law, and is within the Jurisdiction of the Court; and further, the time and place at which the Crime or Offence is alleged to have been committed.

III. When the Person against whom any such Complaint or Charge has been so made, is present in Court, or not being so present, is in custody within the Jurisdiction of the Court, the Court shall forthwith, or so soon as such Person so in custody shall have been brought up into Court, proceed to hear and determine, and dispose of the Case.

IV. When such Person is neither present in Court, nor in custody within its Jurisdiction at the time when such Charge or Complaint shall be so made against him, the Clerk of the said Court shall so soon as may be, after such Complaint or Charge has been made, at the request of the Prosecutor, issue and deliver to the proper Officer of the said Court, the Process of the said Court, for compelling the appearance of such Person to answer the Complaint or Charge, together with so many copies of the said Process as there are Persons to be summoned; and the said Process shall be by summons, under the hand of the Clerk of the said Court, as near as may be in the Form contained in the Schedule hereunto annexed, marked (B); Provided always, that it shall and may be lawful for the Judge of the said Court, if he shall see cause so to do, to grant Warrant for the apprehension of any such Person, against whom any Complaint or Charge has been made in manner aforesaid, in any case, in which under and by virtue of the Provisions of the Ordinance No. 73, any Judge, Magistrate, or Justice of the Peace might lawfully grant such Warrant. And such Warrant shall be in the Form contained in the Schedule hereunto annexed, marked (C.)

V. The Clerk of the said Court shall, at the request of either Party, whether the Prosecutor or the Accused, issue and deliver to the proper Officer of the said Court, the Process of the Court for compelling the attendance of any Person to give evidence in any Case before the said Court. That *George Hallum*, late of Graham's Town, in the District of Albany, in the Colony of the Cape of Good Hope, having been summoned by Edict, to appear this day in Court, either in person or by proxy, in order to purge his first default, and further to hear such claim and conclusion as *Mary Anne Hallum*, of Port Elizabeth, in the District of Uitenhage, in the said Colony, Wife of the said *George Hallum*, might think proper to make against him for the dissolution of the Bonds of Matrimony, upon the grounds of wilful and malicious desertion, to answer thereon, and further to proceed according to Law, without the said *George Hallum* or any one on his behalf having appeared: in consequence of which the said *Mary Anne Hallum* by her Advocate requested the second Default, with the profit thereof, and a third Summons by Edict:

Knight Commander of the Most Honorable Military Order of the Bath, of the Royal Guelphic Order of Hanover, and of the Royal Portuguese Military Order of the Tower and Sword, Colonel of His Majesty's 51st Regiment of Foot, Governor and Commander in Chief of His Majesty's Castle, Town, and Settlement of the Cape of Good Hope, in South Africa, and of the Territories and Dependencies thereof, and Ordinary, and Vice Admiral of the same, Commanding the Forces, &c. &c. &c.

WHEREAS it has been represented to me that the Laws now in force prohibiting Persons from crossing the Land Boundaries of the Colony, and carrying or removing Slaves beyond the same, have of late been infringed:

And whereas by an Ordinance (No. 23), entitled "An Ordinance of His Honor the Lieutenant-Governor in Council, for facilitating the Commerce with the Caffres, and other Nations living beyond the Boundaries of the Colony, and for consolidating the several Proclamations and Ordinances relating thereto," it is amongst other things enacted, that it shall not be lawful for any Persons, excepting the Military on duty, and Licenced Traders on their journey to and from the Border Fairs, or other Persons licenced to Trade privately under the authority of the said Ordinance, to pass into any parts beyond the Boundary of this Colony, without a written Passport, signed by the Civil Commissioner of the District through which such Person shall pass out of the Colony, and the Officer Commanding His Majesty's Troops, when any are stationed therein; and any Person duly convicted of such Offence shall be liable to a Penalty not exceeding £10, nor less than £5, or in default of payment to imprisonment for a period not exceeding two months, for the first Offence; and for the second and every subsequent Offence, to a Penalty not exceeding £20, nor less than £10, or in default of payment to imprisonment for a period not exceeding four months: And whereas by an Ordinance (No. 81), entitled "Ordinance of His Excellency the Governor in Council, for the better Regulation of the Trade carried on beyond the Land Boundaries of this Colony, between the Inhabitants thereof and the Caffres and other Nations residing in Africa," it is amongst other things enacted, that if any Person shall, without having obtained such Licence as is therein mentioned, proceed towards the Land Boundaries of the Colony, for the purpose of trading beyond the same, he shall, on conviction thereof, incur and be liable to a Penalty of £50: And whereas by an Act passed in the fifth Year of the Reign of His late Majesty King George the Fourth, entitled "An Act to amend and consolidate the Laws relating to the Abolition of the Slave Trade," it is amongst other things enacted, that, except in such special cases as are in and by the said Act permitted, if any Persons shall carry away or remove, or contract for the carrying away or removing of Slaves or other Persons, as, or in order to their being dealt with as Slaves, then and in every such case, the Persons so offending, and their Procurers, Counsellors, Aiders, and Abettors, shall forfeit and pay for every such Offence, the Sum of £100 of lawful Money of Great Britain, for each and every Slave so carried away or removed, and all Property or pretended Property in such Slaves or Persons as aforesaid, shall also be forfeited: And whereas by the said Act it is also provided that, except in such special cases as are in and by the said Act permitted or otherwise provided for, if any Persons shall carry away or remove, or contract for the carrying away or removing of Slaves or other Persons, as, or in order to their being dealt with as Slaves, then and in every such case, the Person or Persons so offending, and their Procurers, Counsellors, Aiders, and Abettors, shall be, and are declared to be Felons, and shall be transported beyond Seas for a term not exceeding 14 Years, or shall be confined and kept to hard labor for a term not exceeding 5 Years, nor less than 3 Years, at the discretion of the Court before whom such Offender or Offenders shall be tried and convicted.

And whereas the carrying away or removal of Slaves from within this Colony to beyond the Land Boundaries thereof, is not such special case as is in and by the said Act permitted: Now, therefore, I do hereby proclaim and make known, that all Persons offending against the said Enactments and Provisions of the Laws above-mentioned, will be prosecuted with the utmost rigour of the Law.

GOD SAVE THE KING!
